FOREWORD

Dear runners,

welcome in one of the most beautiful cities in the world, Prague. Enjoy this night race and celebrate the end of summer. I assure you beside the joy of run and sport you will enjoy the city and its atmosphere. I am looking forward to seeing you at more sport events that are supported and cherished here in the city of Prague.

Bohuslav Svoboda, Mayor of Prague

Dear runners,

On the September 7th 2024 in the heart of Prague 1 we are going to have two important sporting events, 10K and 5K RunCzech races. These events attract not only top athletes from all over the world, but also thousands of enthusiastic amateur runners. Sporting events like these not only enliven the atmosphere of our city, but also contribute to its prestige on a global level.

Mgr. Terezie Radoměřská, Mayor of Prague 1

Dear runners,

Welcome to the 27th Grand Prix Prague 2024. Prague is already a running capital of central Europe. This year's Prague Half Marathon still holds world leading time and also our record breaking participation. It's always beautiful to see all enthusiastic runners at our races and I hope that the trend continues at the Grand Prix Prague 2024. Let the unforgettable atmosphere of night Prague be your guiding star.

The evening kicks off with a women-only 5K run, the largest of its kind in the country. It is mainly for recreational runners who want to enjoy an active evening. The time limit is set at 50 minutes, which works out to just 10 minutes per kilometer. The program culminates with a 10K race for runners looking for a bigger challenge. You can compete against the best runners in the world, world record holders and elite domestic athletes. That is a unique experience.

I wish you the best of luck in achieving your goals, whether you are aiming for a personal best or simply an enjoyable and active evening.

Carlo Capalbo, President of the RunCzech Organizing Committee

ALL RUNNERS ARE BEAUTIFUL

THIS IS WHAT WE BELIEVE. THIS IS WHAT SETS US APART. THIS IS OUR GUIDING STAR.

When we came up with the slogan ALL RUNNERS ARE BEAUTIFUL, it changed us. We became more than a collection of races. More than a company. We became an advocate, a champion of running for everyone.

We became a voice that called out to millions of runners around the world, letting them know that we love them unconditionally. That we respect the hell out of them for lacing up a pair of shoes, and pushing to make themselves a little better. A little stronger.

That's what victory is, in our minds. Not winning, necessarily. But taking part and enjoying.

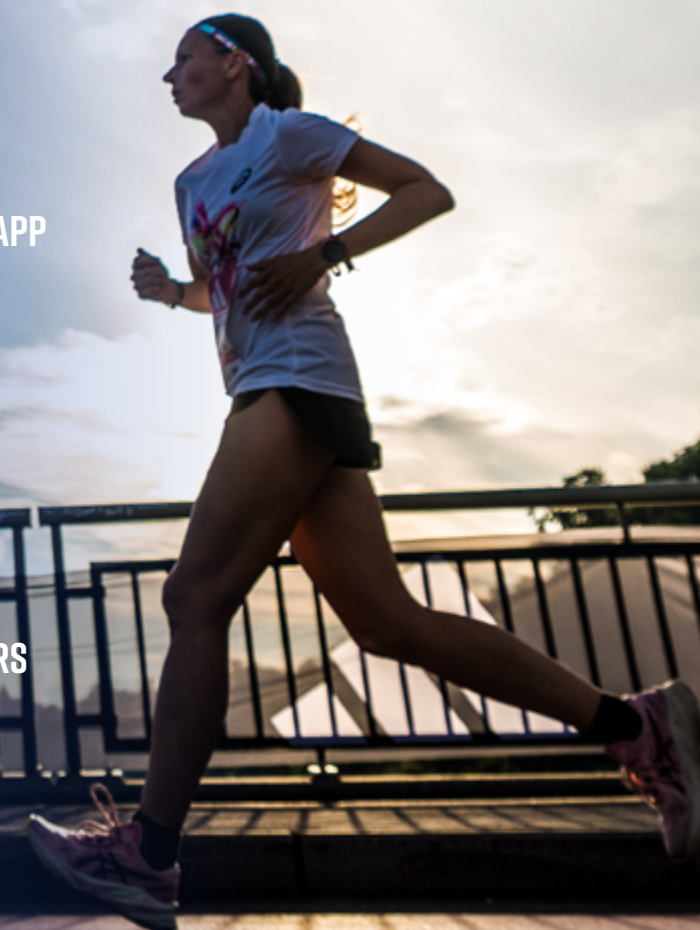

Running is a joy. That's the message here. And everyone who's willing to participate in this perfect, beautiful sport young, old, big, slim, fast, or slow— is welcomed. Is loved. Is beautiful.

ALL RUNNERS ARE BEAUTIFUL is a giant banner that every runner, in every running shoe, at every running event in the world can march under.

SOCIAL RESPONSIBILITY

RunCzech stands strong in its position as an organiser of sustainable and environmentally friendly sports events. This is the topic that we want to focus on in alignment with the World Athletics Sustainability Strategy for all our WA label events.

At our refreshment points, we use cups, including Foopak eco cups, instead of plastic bottles. We no longer provide sponges on the course due to recycling challenges. Our proud partner Komwag is specialised in cleaning and sorting trash—glass and plastic—right after the race for ecological utilisation. Often, electric cars serve as the clock cars for elite runners. Additionally, we minimise printed materials by moving everything online, including event guides and leaflets for runners.

Every year, we are supporting a wide range of non-profit organizations. Some of them are focused on helping children with diseases, some on adults with various physical and mental health problems, not forgetting those concerned about environmental protection and many other great causes.

RunCzech also encourages not only runners but the wider public as well to adapt running for a good cause, an option that is so well known abroad. Our runners can support financially different charities, not only those with whom RunCzech already cooperates, but we are open to new stories that deserve to be remembered. Each of our races are connected with a specific non-profit organizations.

FOUNDATION
BEAUTY OF HELP

ADIDAS
WOMEN'S RUN
5K PRAGUE
7.9.2024

The Beauty of help Foundation was founded by Taťána Kuchařová in 2008. Since then, the foundation has distributed more than CZK 34 million in grants to non-profit organizations helping seniors and has supported seniors with a total of more than CZK 50 million. The primary mission of the foundation is to support seniors and develop a positive approach to old age. The main goal is to ensure a dignified life for the elderly in a home environment and to prevent the premature and often unnecessary placement of seniors in institutional care (which is also very expensive for the state). The Foundation is also focusing on the topic of the transformation of the labor market in the context of the aging population.

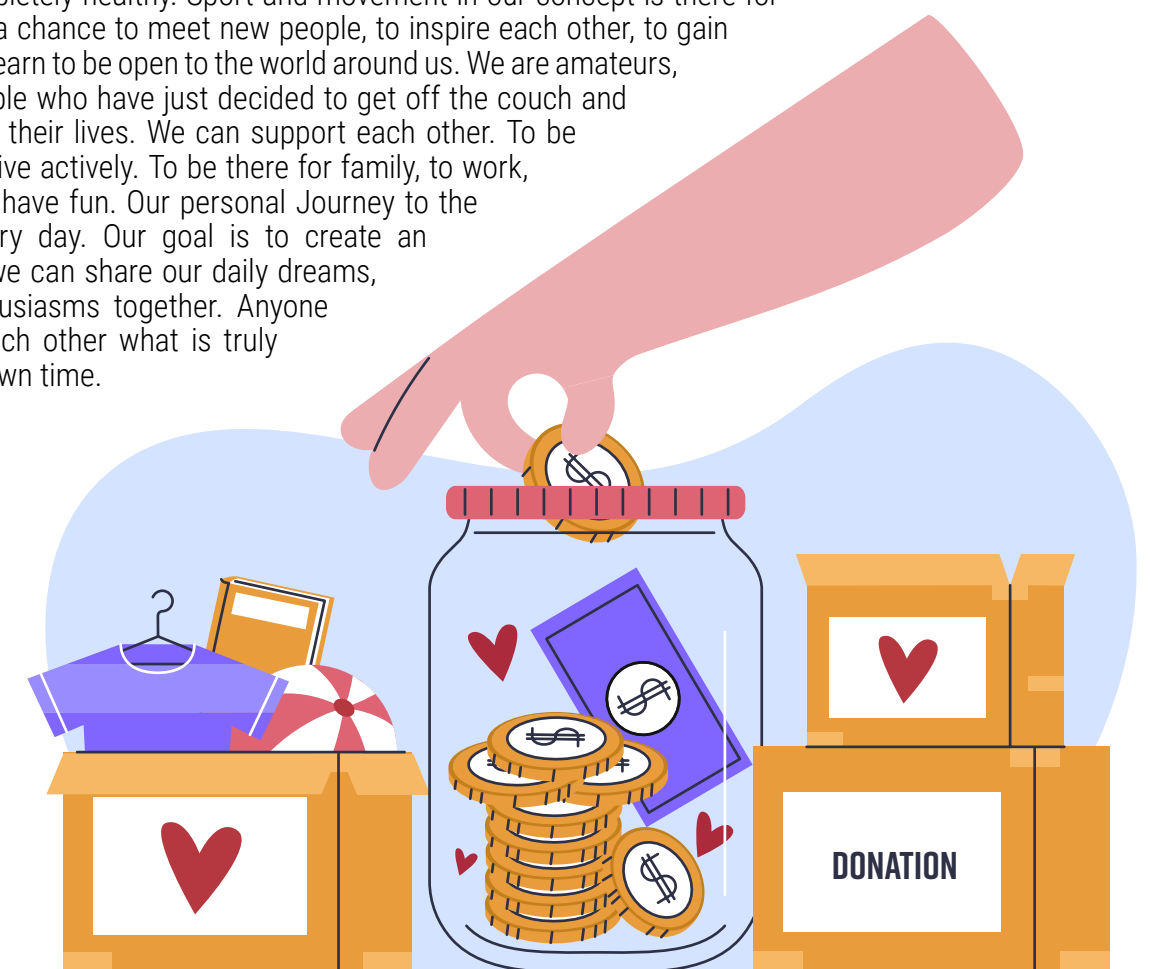

CESTA ZA SNEM

BIRELL
IOK RACE PRAGUE
7.9.2024

We create projects where people can be together in movement. All without differences and without prejudice. It doesn't matter if someone sits in a wheelchair, has no leg, has other limitations or is completely healthy. Sport and movement in our concept is there for everyone. It is a joy, a chance to meet new people, to inspire each other, to gain new experiences, to learn to be open to the world around us. We are amateurs, enthusiasts and people who have just decided to get off the couch and make a difference in their lives. We can support each other. To be on the move and to live actively. To be there for family, to work, to learn, to travel, to have fun. Our personal Journey to the Dream happens every day. Our goal is to create an environment where we can share our daily dreams, challenges and enthusiasms together. Anyone can join. We give each other what is truly most precious. Our own time.
